Subject: Microsoft Settlement

Dear Attorney General Ashcroft,

This is to inform you that we are in total agreement with the settlement reached regarding the Microsoft litigation. In our opinion, this litigation should have never occurred!

Our economy has suffered as a result of this litigation and our technology market has been negatively impacted. In addition to the latter, we, the taxpayers have had to fund this prosecution diverting funds from investigating truly harmful antitrust violations and illegitimate monopolies.

We ask and plead that the Federal District Court determine that the proposed settlement is in our, the public's, best interest. We applaud and support the Bush Administration and Microsoft in their desire to settle this lawsuit.

We respectfully request that you consider our remarks when making a final decision on this lawsuit.

Sincerely,
Agnes and Leonard Tillerson
